

Dr. WHITE's Venereal Insurance.

IF a rational method of treatment, confirmed by a most successful practice, and rendered evidently conspicuous by the Doctor's universally admired journals upon this subject, can insure success, the unfortunate of both sexes afflicted with this detestable disease, be it ever so inveterate or complicate, may confidently be assured of a certain, speedy, and effectual cure, rest securely happy in mind, and depend upon being treated with the utmost delicacy, humane tenderness, and diligent assiduity. Apply at No. 2, in London-house-yard, the North side of St. Paul's Church-yard. An Electuary for a slight case at 2s. 6d. per box, and my strengthening Balsam at 3s. 6d. per bottle, which will cure the diabetes or incontinence of urine, gleet, and seminal weaknesses in both sexes.—N. B. Letters, post paid, stating the case, attended to, and medicines sent into the country, if required. Patients may board and lodge in the house during their cure on moderate terms. Mrs. White accommodates pregnant ladies with separate apartments to lie-in, and may be consulted with in any ailment or disorder relating to her own sex.
